Dear friends and guests,

On behalf of the Estonian Karate Federation it is a great pleasure for me to invite you to participate in the 43rd European Karate Championships, which will be held on May 2-4, 2008 in Tallinn, the capital of the Republic of Estonia.

This European Karate Championships in Tallinn is the second karate championships to be held in Saku Suurhall, the biggest sporting hall of the Baltic states.

I hope, that all the participants will be satisfied with their visit to Tallinn and of course with the Championships itself.

Looking forward to seeing You all in Tallinn!

Sincerely Yours,

Raivo Kütt
President
Estonian Karate Federation

EUROPEAN KARATE FEDERATION FEDERATION EUROPÉENNE DE KARATÉ

MEMBER OF THE WORLD KARATE FEDERATION (WKF)

Everybody is expecting with great encouragement the next 43rd European Senior Championships 2008 to be held in Tallinn. We all keep fresh in our minds the 2002 event, that also took place in the by then brand new Tallinn Saku Suurhall, and where the Estonian Karate Federation proved that for successfully organising an event of the size and magnitude of a Senior Karate Championships what matters is not the size of the Federation but the interest and the professionalism of the Federation leadership and members.

I would like to take this opportunity to recognize the work developed by the Estonian Karate Federation during these last years. For me it is a model of efficiency, responsibility, quality and well doing. It has always been a pleasure to work with them, and in all the before mentioned I want to make a special mention to President Raivo Kütt and General Secretary Jüri E. Pöld, that have always made things easy inside a positive atmosphere of mutual help and collaboration with the European Karate Federation.

The celebration of such a major event in Estonia is something well deserved by the Estonian Karate Federation, and I can say, without any doubt, that these 43rd European Senior Championships are going to be a new success of our sport in the Continent, and also a new success of the European Karate Federation thanks to the inestimable contribution of one of its outstanding members.

Antonio Espinos

President, European Karate Federation
President, World Karate Federation

INFORMATION

TALLINN

Tallinn, the capital of Estonia, is located in Northern Europe in the north-eastern part of the Baltic Sea region. The geographical location of the city, between the highly technologically advanced Scandinavian countries and north-western Russia with its noteworthy natural resources, is attractive for investors from neighbouring areas and from farther afield.

Estonians and Tallinners are people with a strong tradition and history. The first known traces of the local population date back 3500 years, City rights were given to Tallinn on May 15, 1248 when the Town Council governed the city. The picturesque Old Tallinn, included in the UNESCO World Heritage List, is a unique pearl of medieval architecture accentuated with tall towers. Within a five-minute walk of the city centre there is a modern City where old intermingles with new.

CULTURE

The tradition of song festivals has played an important part in the preservation of Estonian identity from the mid-19th century through today. The Estonian National Library, The national Opera "Estonia", The Estonian National Art Museum, The Estonian Music Academy and the Estonian Academy of Art are all located in Tallinn. Tallinn's numerous art galleries display constantly changing and engaging exhibits, showing creative work using both traditional and experimental techniques. Tallinn's rich heritage and longlasting traditions, the unique atmosphere of the medieval Old Town and parks and boulevards drowing in verdure refresh the spirits of the citizens and entice visitors to return, again and again.

Tallinn has plenty of health centres, tennis courts and swimming pools. In the immediate surroundings of the city, one can go horseback riding and rent mountain bikes, and Niitvälja golf course is located at an half-hour's drive from the city centre. Popular sports events that become traditional include the Ülemiste Lake Run, Tallinn Marathon, and the women's May Run. Sports fan can spectate and cheer at international sports events such as traditional Kalev motor race, "Tallinn Sword" competition of one stage of the World Cup in fencing, and the Erki Nool Reval Cup men's septathlon, in which top sportmen from all over the world participate.

The seaside district of Pirita offers many relaxation and sports opportunities. Three public beaches with clean seawater and sandy shores are located in Tallinn. Nearly a quarter of Tallinn's area is covered of greenery, on e half of which is forest. The majority of parks are in the city centre, in the bastion zone surrounding the Old Town and in Kadrioru. Kadrioru park, built in early 18th century by Peter I and extended to the sea in the first half of the 20th century, is a favourite place for Tallinners to spend their free time and organize cultural events. Other enjoyable areas for walking include Tallinn Zoo in Veskimetsa, which has about 300 different species, represented by around 3,000 individual animals and birds and the Estonian National Open-Air Museum in Rocca-al-Mare.
